Gould's 21st Annual Microcar & Minicar Classic Event

July 8, 9 & 10, 2016

It's time to dust off the microcars...

pack up the family...

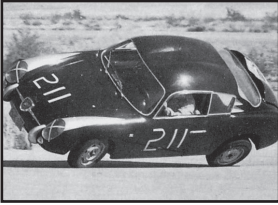

& head off to the GOULD's for the 21st Annual Classic Event.

This is no "Park & Polish" type of car show on some hot asphalt parking lot! This is a true "European Style Driving Event", with all scheduled stops and activities taking place on lush green shaded lawns! So fill your fuel tank before you arrive!

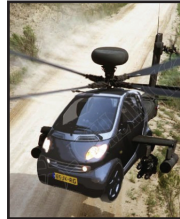

Drive your microcar if you can,

or if it won't run, trailer it to the event.

If you don't have a trailer, get it here any way you can.

If you don't have a microcar, we'll give you one...

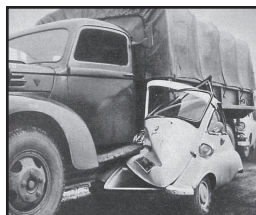

a paper one, that is!

Fire & Damage/Loss Prevention

Each show car **MUST** have a fire extinguisher. We will have them available for sale.

Please drive your microcars carefully, especially if you are providing rides to our guests under the seats and asses program (G-SAAP). All participating microcars must be insured.

Schedule of Events

Friday, July 8

6:00 - 11:00 p.m.

Wine, cheese and hors d'oeuvres arrival reception (MICRObrews too)! Out-of-town guests arrive and registration begins. Unload, polish, and repair cars, meet new friends and get reacquainted with old friends. We'll provide the wine, cheese, hors d'oeuvres and MICRObrews. We'll party into the night! Bring your microcar videos or CDs.

Saturday, July 9

Morning

8:00 - 10:00 a.m.

Pastries and coffee will be served at the Gould's to sustain us for the first leg of our long distance Microtour. If you would like a more elaborate breakfast, please do so early enough to get to the Gould's for 9:00 a.m. We will depart promptly at 10:00 a.m.

10:00 a.m. - 4:00 p.m.

We will set out for our scenic MicroTour to Wachusett Mountain. This is a beautiful, twisty, sixty mile (120 mile round trip) journey on really beautiful country roads with gorgeous scenery. We will head to the Barber's Crossing Restaurant for lunch (separate checks). In the afternoon, there are several interesting stops on the way back to the Gould's, which may include a winery tour (depending on our schedule) and a stop at the Gould's Matchbox Motors Microcar Museum storage facility to view all of the unfinished projects, rusted hulks, and microcars which did not make the cut to participate in the Classic Event!

Late afternoon

5:00 - 7:00 p.m.

We found Nemo!

Everyone parades back to the Gould's for the famous "Eclectic Barbecue". Participants are asked to bring unusual foods to share (see food details below). Previous years have included everything from enchiladas to tuna sashimi. This is a favorite part of the weekend activities as the only thing that this group enjoys more than the cars, is the food!

[Bring interesting, creative menu items.](#)

[We suggest the following menu contributions by last name!](#)

[A-E \(bring Salads or Sides\) F-U \(bring Entrees or Main Dishes\) V-Z \(bring Desserts\)](#)

[We strongly encourage all guests to bring an unusual, preferably ethnic, menu dish to share, as the diversity of this barbecue really enhances the social and dining aspects of this event.](#)

[If you absolutely cannot bring an unusual menu item to share, you are required to contribute an additional \\$10.00 per adult, which we will use to purchase unusual menu items for your contribution. Please understand that this additional fee is not intended to increase our income, but rather to persuade you to bring a dish instead, so that we can enhance the dining experience! Your menu items can be heated or cooked here.](#)

Evening

7:00 - 9:00 p.m.

At about 7:00 p.m., we will embark on a 7 mile scenic cruise to J.P. Licks Ice Cream in Newton Centre where we create quite a stir. Our little cars parade in and distract the whole area as a fresh group of spectators are fascinated by this collection of absurd little Bubblecars.

9:00 p.m. until

Police intervention

Then, back to the Gould's where serious margaritas, general merriment and irresponsible behavior wind down the day's activities, as people confess about their addictions to the world of microcars, and the stories of their personal acquisitions. The margaritas tend to remove inhibitions and enhance the stories through extreme exaggeration. Poetic license and creativity are encouraged.

Sunday, July 10

10:00 - 11:00 a.m.

Pastries and coffee will be served at the Gould's prior to our departure for the public exhibit at the country's oldest automobile museum. If you would like a more elaborate breakfast, please do so early enough to get to the Gould's for 10:00 a.m.

We will depart promptly at 11:00 a.m.

11:00 a.m.

The next MICROtour departs at 11:00 a.m. for a four mile parade to the beautiful grounds of the Larz Anderson Museum of Transportation where the cars will be arranged "on the lawn" for spectators to admire. Microcar owners will offer rides to the gawking spectators.

There will be people's choice awards in several categories, so you can seduce the voting public with your ride.

Early evening

6:00 - 8:00 p.m.

We will parade to a local outdoor cafe with authentic Mexican (not Tex-Mex) food for our departure dinner (separate checks).

Evening

8:00 p.m. until

Exhaustion

We return to the Gould's to wind down, dunk our tired dogs into huge buckets of ICE COLD water ("Poor Man's Hot-Tub"), and relax with more Margaritas and Microbrews.

"Monique or Tiana Gould will be available to push broken cars..."

"Tiana & Monique can wash your microcar"

"or Nancy can tune you up..."

"or Charles can push your car home with his Flexible Clipper bus!"

Gould's Certified Roadside Assistance Program (G-CRAP)

At least two chase vehicles with flatbed trailers will be available on all tours, parades and drives to retrieve disabled Microcars (to handle even the most embarrassing road complications). We have this down to a science, and can usually accomplish retrieval missions within twenty minutes. Many times we can even get your car going again in time for the next activity; so you don't have to miss anything!

Gould's Seats & Asses Program (G-SAAP)

If you show up with an ass and no microcar, we will assign you to an empty seat in a microcar, so that everyone gets to ride in microcars for all tours and activities!

Gould's Sales of Particularly Eclectic Novelty Devices (G-SPEND)

For those of you who love to shop, we will have a wide assortment of really cool, interesting, microcar related items for sale, including T-shirts & mugs featuring Wendy Costa's amazing microcar designs, toys, model cars, decorative items, and novelties.
